

The Church Athletic League Bursaries For Continuing Education

Each year, the Church Athletic League supports CAL hockey players in their pursuit of post-secondary education by granting bursaries to eligible CAL participants. Up to two will be awarded in recognition of outstanding commitment to community service, athletics and academic excellence. These bursaries reflect the achievements of young hockey players who are committed to their community, athletics and academic achievement. The purpose of the bursaries is to help the students to offset the high costs associated with continuing their post-secondary education.

Each approved recipient may receive between \$600.00 and \$1,000.00 towards their post-secondary education. Bursary amounts are subject to change depending on available funds. There may be up to two (2) bursaries awarded each year.
